PALOS VERDES MONTESSORI ACADEMY

JUNE 2026

It has been an amazing year for us to see our students thrive and grow each day. Our Montessori community showed us support in all our undertakings. The children have grown academically and socially, and their natural curiosity and love for learning have been inspiring. We saw them form friendships and unique bonds with their peers and teachers. We are proud of our students' accomplishments this year and look forward to more fruitful years.

Warmest congratulations to the graduates!

We are very proud of our 2026 graduates and wish you the absolute best for your next adventure! You have worked hard to reach your next grade level. We are happy to share the excitement of your graduation and accomplishments. We also want to thank our wonderful families and outstanding faculty for a fantastic school year.

Spring Show and Graduation on June 11, 2026

The children are happily preparing for the upcoming International Cultures-themed Spring Show. Beautiful voices fill our halls as they sing along with Mr.Kevin. The children have also been practicing their dance moves with Miss Irma Prepare to be awed by the talents of our students on the morning of Thursday, June 11.

Our Commencement exercises will be held right after the Spring Show on the school grounds.

Please make sure to mark your calendars for this momentous occasion.

- June 24 - Toy Story 5 (Field Trip)
- June 26 - Bounce House (In School)
- June 30 - Lyric Opera of OC (Visitor)

Flag Day- Sunday, June 14

Let's fly our U.S. flag proudly to show our love for our country. We celebrate this symbol of valor, purity, perseverance, and justice. Older children can learn about the history and evolution of the flag while expressing their creativity through themed crafts.

Get ready for a summer filled with discovery and fun! Our All the World's a Stage Summer Camp offers something new every week. This theatre-themed program introduces young children to the world of plays and performance through fun, interactive activities. Children will explore acting through movement games, character voices, and simple improvisation. Creative crafts such as mask-making, puppet-making, and dress-up activities encourage imagination and self-expression. The program also includes attending a puppet show and watching a live play, helping children experience theatre as audience members. Short skits, storytelling, and group performances build confidence and teamwork. Campers will dive into hands-on learning experiences, STEM activities, group games, and water play that reinforce Montessori principles in a relaxed, exciting setting.

Spots are limited! Don't wait—reserve your child's place today.
Note: Field trip spots are first-come, first-served.

Father's Day – Monday, June 19th

On this Father's Day, we recognize the special bond between fathers and father figures and their children.

On June 19th, the beginning of the summer program, we invite the Dads and father figures to come to school with their children dressed in similar attire. Breakfast will be served that day on the playground. Parents may also bring some picnic food items on this day. Happy Father's Day to all our dads and father figures!

Like us on Facebook:

We regularly post pictures and videos of the activities at our school. We update the parents with beautiful images of the children at work and play. These are sure to bring a smile to our families.

Teacher Appreciation Week

Thank you to our parents and families for your heartfelt notes and generosity. The teachers and staff at Slater are grateful for the words of appreciation and support. The beautiful flowers and treats also brightened our days. We are privileged to work with the children who inspire us to be our best each day.

It was a busy and fun-filled month at Palos Verdes Montessori! Our children enjoyed celebrating Cinco de Mayo, showing love and appreciation on Mother's Day, and recognizing the dedication of our wonderful teachers during Teacher Appreciation Week. These special events brought our school community together and created many joyful memories for everyone.
